

Study Abroad Bulgaria is the leading media for educational editions for over 13 years now. We have established ourselves as the most reliable publisher, focused on education in Bulgaria as a partner to over 50 educational and career events every year.

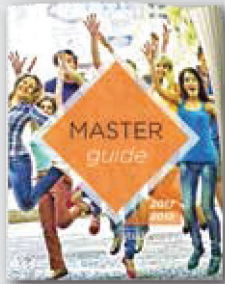

Our portfolio includes:

- **Study Abroad Magazine** - the only online and print publication about education in Bulgaria
- **www.studyabroad.bg** - the biggest educational web portal in Bulgaria
- **Bachelor's Degree Guide** - annual online and print edition presenting undergraduated programs in over 25 countries
- **Boarding School Guide** - annual online and print edition about Boarding schools and Summer language courses
- **Master & MBA Guide** - annual online and print edition about postgraduate and MBA programs in 20 countries

Study Abroad is media partner to World Education Fair, European Education Fair, Dutch day for Education, QS Grad School fair and Access MBA fair. As participating institution in those educational events, you are most welcome to take advantage of our exclusive marketing proposal.
